Subject : Tenders not Uploading Since February 15, 2020 due to Malfunctioning on SPPRA-PPMS Website

Dear Sir;

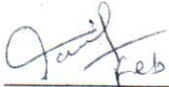

This refers to SPPRA-PPMS website, we are facing problem since February 15, 2020 and unable to upload any tender related document on SPPRA-PPMS website.

2. As per SPPRA Rule-18, the NIT and bidding document shall be hoisted on Authority's websites and must be available on the day of publication of Ad.
3. It may be due to the malfunctioning of SPPRA server as you had informed us in our regular & continuous discussion with SPPRA-PPMS Cell.
4. A week has been passed, and we have a lot of pressure from different quarters to initiate tender proceeding for this fiscal year. Further, on February 25, 2020 two tender notices will be published in newspapers as well and potential bidders will have to visit IBA, Karachi to collect/purchase the tender documents.

It is, therefore, requested to allow us to continue tender proceedings and upload tender document on IBA, Karachi websites, and as soon as PPMS website would be active we will upload the same on SPPRA-PPMS website.

Submitted for consideration, please.

Sincerely,

Feb 21, 2020
