Dear Tenderer:

Thank you for the interest you have shown in response, to the IBA's advertisement which has floated on IBA & SPPRA websites and leading newspapers on January 11, 2024, for "Provide, Supply and Install Wireless Access Points on C&F Basis".

The Institute of Business Administration, Karachi (IBA) is the oldest business school outside North America. Later, the University of Southern California (USC) set up various facilities at the IBA & several prominent American professors were assigned to IBA. The course contents, the curriculum, the pedagogical tools & the assessment & testing methods were developed under the guidance of reputed scholars from these two institutions. IBA has zealously guarded the high standards & academic traditions it had inherited from Wharton & USC while adapting and adjusting them over time.

We expect to avail services/works/items of high standards that meet our prime & basic specifications through this transaction.
