

## IBA Student Societies

The IBA is a proud proponent of the student union and has an active student council for many decades. Every year, students elect their representatives for Students' Council alongside 20+ societies and clubs which operate under the Office of Student Societies. This forum allows students to explore and pursue their interests outside of the academic sphere leading to a holistic development of character, ethics and morals that the IBA promises to instill in its student body.

## Information and Communication Technology (ICT) infrastructure

The Information and Communication Technology department provides ICT services to both the campuses – main and city – hostels and staff town, serving a total of around 4,500 users on-and-off campus.

- Wi-Fi connectivity, video conferencing and unified communications facilities at both campuses
- Nine general purpose computing labs are fully functional at both campuses
- Five labs with more than 300 state-of-the art desktop computers
- Smart boards in selective classrooms for interactive classroom experience

## Financial Assistance

The IBA offers financial assistance to deserving students in various forms. There is a dedicated Financial Aid Office who administers financial needs of the students. Requests for financial assistance are invited in the months of June, July and August, however, keeping into consideration unforeseen and unfortunate situations, applications are accepted round the year. A Financial Assistance committee scrutinizes the applications of students seeking financial aid and sanctions the appropriate assistance for those who demonstrate the need. Financial assistance packages include but not limited to tuition fee waiver, easy installment plans, deferment of fees, loans, grants, on-campus apprenticeships and Qarz-e-Hasna schemes.

## Health Centre

Martin Dow collaborated with the IBA to provide quality healthcare facilities for its students, faculty and staff. The clinic is accessible 6 days a week and provides the students of IBA with high quality medical facilities at the campus which address the concerns of the rigorous academic schedules of the students throughout the study years.

## ATM and Banking facilities

To cater to the banking needs of students, faculty and staff members, a fully-operational JS Bank branch is located inside the City Campus. Both the campuses are also equipped with ATM machines installed by HBL. Furthermore, a few prominent bank branches are present within walking distance of both campuses.
