Dear Sir/Madam

It has been pleasure working on your requirement. Find below the configuration as per your requirement. We hope that the provided solution is exactly the one you required. Hope we can provide the very best services and solutions now and in the coming future. We can build excellent relationship at both-end.

In addition to our relationship with **Hp, VMware, Emerson, Samsung, Printronix** we are also an Enterprise Solution Providers and can cater a variety of solutions and requirement of our prestigious customers like Software, Hardware, Networks, Power, Data Centre Cooling & etc.

We feel confident that with the resources& experience of over 28+ Years, our customers can rely upon our ability to provide an unmatched level of support and services.

We would like to assure you that our priced proposal is competitive; however if you have any queries or concerns, we are open for discussion to conclude this project for mutual benefits of both the organizations.

Kind Regards,

Faisal Rafiq
