Item # 01 Approval for tender ad & documents for Surveillance Equipment

Discussion: Manager Purchase briefed the committee about the tender ad and documents. Its estimated cost as informed by Manager Security is around 1.6 million, however Manager Purchase believes that due to taxes, this cost could reach around 2 million. On enquiry, the End user, Mr. Khalid Rishi informed the committee that installation and commissioning will be done by internal resources and is not part of the tender

Decision: The committee approved the tender ad and documents for Surveillance Equipment.
