1. Introduction

Dear Tenderer:

Thank you for the interest you have shown in response, to the IBA's advertisement which has floated in IBA and SSPRA websites and leading newspapers on August 18, 2023, for "SLA for Annual Maintenance of Printers and Scanners".

The Institute of Business Administration, Karachi (IBA) is the oldest business school outside North America. It was established in 1955 with initial technical support provided by the Wharton School of Finance, University of Pennsylvania. Later, the University of Southern California (USC) set up various facilities at the IBA and several prominent American professors were assigned to the IBA. The course contents, the curriculum, the pedagogical tools and the assessment and testing methods were developed under the guidance of reputed scholars from these two institutions. IBA has zealously guarded the high standards and academic traditions it had inherited from Wharton and USC while adapting and adjusting them over time.

We expect to avail services/works/items of high standards that meet our prime and basic specifications through this transaction.

Please contact Senior Executive Procurement on 38104700 ext: 2152 for any information and query

Thank you.
