1. Introduction

Dear Tenderer:

Thank you, the interest you have shown in response to the IBA's advertisement which floated in IBA & SSPRA websites and newspapers on September 19, 2024, to "Hiring of Security Services".

The Institute of Business Administration, Karachi (IBA) is the oldest business school outside North America. It was established in 1955 with initial technical support provided by the Wharton School of Finance, University of Pennsylvania. Later, the University of Southern California (USC) set up various facilities at the IBA & several prominent American professors were assigned to the IBA. The course contents, the curriculum, the pedagogical tools & the assessment & testing methods were developed under the guidance of reputed scholars from these two institutions. IBA has zealously guarded the high standards & academic traditions it had inherited from Wharton & USC while adapting and adjusting them over time.

We expect to avail services/works/items of high standards that meet our prime & basic specifications through this transaction.

Please contact Sr. Purchase Executive on 38104700 ext.: 2152 for any information and query

Thank you.

6. Scope of Work

IBA Karachi is a reputable public sector institute having its campuses in Karachi. The objective of this bidding process is to procure comprehensive security services to ensure a smooth and safe operational environment conducive to academic and administrative activities. This includes implementing robust security measures to protect the campus premises, faculty, staff, students, and visitors from potential threats, intrusions, or criminal activities.

The security services should encompass various aspects such as round-the-clock surveillance, regular patrols, access control, emergency response protocols, and collaboration with local law enforcement agencies when necessary. The emphasis is on creating a secure atmosphere that promotes a sense of safety and well-being among all stakeholders.

Additionally, the selected security service provider must demonstrate a clear understanding of the unique security needs and challenges associated with educational institutions. They should be committed to upholding the highest standards of professionalism, integrity, and adherence to legal and regulatory requirements governing security operations.

Overall, the objective is to engage a qualified and reliable security partner who can effectively safeguard IBA Karachi's campuses, thereby contributing to the institution's mission of providing a conducive learning and working environment for its community members.
