1. Introduction

Dear Bidder:

Thank you for your interest in participating in IBA tender “Aluminum Works at Library”. The advertisement will be available on IBA & SPPRA websites on January 21, 2021.

The Institute of Business Administration, Karachi (IBA) is the oldest business school outside North America. It was established in 1955 with initial technical support provided by the Wharton School of Finance, University of Pennsylvania. Later, the University of Southern California (USC) set up various facilities at the IBA & several prominent American professors were assigned to the IBA. The course contents, the curriculum, the pedagogical tools & the assessment & testing methods were developed under the guidance of reputed scholars from these two institutions. IBA has zealously guarded the high standards & academic traditions it had inherited from Wharton & USC while adapting and adjusting them with the passage of time.

We expect to avail services/works/items of high standards meet our prime & basic specifications through this transaction.

Please contact Sr Executive Purchase on 38104700 ext: 2150 for any information and query

Sincerely,

-sd-

Registrar

2. Instructions

- i) All works shall be measured by standard instruments according to the rules.
- ii) Bidders shall provide evidence of their eligibility as and when requested by the Procuring Agency.
- iii) Any bid received by the Agency after the deadline for submission of bids shall be rejected and returned unopened to the bidder.
- iv) Prior to the detailed evaluation of bids, the Procuring Agency will determine whether the bidder fulfills all codal requirements of eligibility criteria given in the tender notice such as registration with tax authorities, turnover statement, experience statement, and any other condition mentioned in the NIT and bidding document. If the bidder does not fulfill any of these conditions, it shall not be evaluated further.
- v) Tender(s) without Bid Security of required amount and prescribed form shall be rejected.
- vi) Bids determined to be substantially responsive shall be checked for any arithmetic errors. Arithmetical errors shall be rectified on the following basis;
 - (a) In case of schedule rates, the amount of percentage quoted above or below will be checked and added or subtracted from amount of bill of quantities to arrive the final bid cost.
 - (b) In case of item rates, if there is a discrepancy between the unit rate and the total cost that is obtained by multiplying the unit rate and quantity, the unit rate shall prevail and the total cost will be corrected unless in the opinion of the Agency there is an obvious misplacement of the decimal point in the unit rate, in which case the total cost as quoted will govern and the unit rate corrected. If there is a discrepancy between the total bid amount and the sum of total costs, the sum of the total costs shall prevail and the total bid amount shall be corrected.
- vii) Where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.
- viii) The Institute of Business Administration, Karachi (IBA) expects that aspirant contractor should furnish all the required documents to ensure a transparent and genuine presentation. Therefore, it is necessary to fill in the Tender Form meticulously and sign & stamp each and every page. Moreover, attach required supporting document according to the requirement.
- ix) It is of utmost important to fill in the Tender Form in writing in ink or type. Do not leave any column/item blank. If you want to leave the item/column un-answered please, write 'Doesn't Apply/Doesn't Arise'. If you need more space please attach a paper & clearly mention item/column name or number etc that referred the column/item of the Tender Form.

Stamp & Signature

4. Conditions of Contract

Clause – 1: Commencement & Completion Dates of work. The contractor shall not enter upon or commence any portion or work except with the written authority and instructions of the Chief Librarian & Head of Procurement. However BoQ and execution of work shall be performed with due approval. Failing such authorities the contractor shall have no claim to ask for measurements of or payment for work.

The contractor shall proceed with the works with due expedition and without delay and complete the works in the time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall reckoned from the date on which the order to commence work is given to the contractor. And further to ensure good progress during the execution of the work, contractor shall be bound, in all in which the time allowed for completion of any work exceeds one month, to achieve progress on the prorated basis.

Clause – 2: Liquidated Damages. 2% liquidity damages of the total amount will be imposed per month for which the contractor failed to deliver within the execution period.

Clause – 3: Termination of the Contract.

“IBA” may terminate this contract if the job is not executed according to the requirement at anytime after issuing a 15 day’s notice. IBA reserve the right to accept or reject any or all contract(s) or terminate proceedings at any stage in accordance to the rules & regulations framed by SPPRA.

Clause 4: Possession of the Site and Claims for Compensation for Delay. The Engineer shall give possession of all parts of the site to the contractor. If possession of site is not given by the date stated in the contract data, no compensation shall be allowed for any delay caused in starting of the work on account of any acquisition of land, water standing in borrow pits/ compartments or in according sanction to estimates. In such case, either date of commencement will be changed or period of completion is to be extended accordingly.

Clause –5: Extension of Intended Completion Date. The IBA, Karachi either at its own initiatives before the date of completion or on desire of the contractor may extend the intended completion date, if an event (which hinders the execution of contract) occurs or a variation order is issued which makes it impossible to complete the work by the intended completion date for such period as he may think necessary or proper. The decision of the Executive Engineer in this matter shall be final; where time has been extended under this or any other clause of this agreement, the date for completion of the work shall be the date fixed by the order giving the extension or by the aggregate of all such orders, made under this agreement.

Stamp & Signature

When time has been extended as aforesaid, it shall continue to be the essence of the contract and all clauses of the contract shall continue to be operative during the extended period.

Clause –6: Specifications. The contractor shall execute the whole and every part of the work in the most substantial and work-man-like manner and both as regards materials and all other matters in strict accordance with the specifications lodged in the office of the Chief Librarian and initialed by the parties, the said specification being a part of the contract.

Clause–7: Payments. Complete Measurement with Clearance Note / Certificate endorsed from Chief Librarian is required before submitting of bill/invoice in to Purchase & Stores Department. Payment will be made after completion of works/jobs/project and submission of bill/invoice,

Clause–8: Reduced Rates. In cases where the items of work are not accepted as so completed, the Chief Librarian and Head of Procurement may make payment on account of such items at such reduced rates as may consider reasonable in the preparation of final or on running account bills with reasons recorded in writing.

Clause–9: Issuance of Variation and Repeat Orders. Any cumulative variation, beyond the 15% of initial contract amount, shall be subject of another contract to be tendered out if the works are separable from the original contract.

Clause-10: Quality Control.

(a) **Identifying Defects:** If at any time before the security deposit is refunded to the contractor/during defect liability period mentioned in bid data the IBA authorities may instruct the contractor to uncover and test any part of the works which he consider may have a defect due to use of unsound materials or unskill full workmanship and the contractor has to carry out a test at his own cost irrespective of work already approved or paid.

(b) **Correction of Defects:** The contractor shall be bound forthwith to rectify or remove and reconstruct the work so specified in whole or in part, as the case may require. The contractor shall correct the notified defect within the Defects Correction Period mentioned in notice.

Clause–11: Inspection of Operations. Chief Librarian and his subordinates, shall at all reasonable times have access to the site for supervision and inspection of works under or in course of execution in pursuance of the contract and the contractor shall afford every facility for and every assistance in obtaining the right to such access. Physical inspection will be carried out by Chief Librarian and Head of Procurement. Ordered material is subjected to final inspection at the time of delivery at Store validated by delivery challan by concern authorized dealer.

Stamp & Signature

Clause-12: Risks. The contractor shall be responsible for all risks of loss of or damage to physical property or facilities or related services at the premises which arise during and in consequence of its performance of the contract. If any damage is caused while the work is in progress or become apparent within three months of the grant of the certificate of completion, final or otherwise, the contractor shall make good the same at his own expense.

Clause-13(a): Measures for prevention of fire and safety measures. The contractor shall not set fire to any standing jungle, trees, bush-wood or grass. The contractor is responsible for the safety of all its activities including protection of the environment on and off the site. Compensation of all damage done intentionally or unintentionally on or off the site by the contractor's labour shall be paid by him.

Clause-13(b): All staff must have CNIC and clearly mentioned to discourage work through child labor. IBA is no smoking zone. Life Insurance / Security of worker will be the responsibility of contractor. IBA will not be responsible for any mishap

Clause-14:Sub-contracting. The contractor shall not subcontract without the prior consent of Chief Librarian any part of the works, his agents, servants or workmen as if these acts, defaults or neglects were those of the contractor, his agents' servants or workmen.

Clause-15: Disputes. In case of any dispute, difference or and question which may at any time arise between the parties hereto or any person under them, arising out in respect of this letter of intent or this subject matter thereof shall be referred to the G. M. Admin of the IBA and CEO of the "THE CONTRACTOR" for arbitration/settling of the dispute, failing which the decision of the court law in the jurisdiction of Karachi binding to the parties. The Arbitration proceedings will be governed by the Arbitration Act, 1940 and the Substantive and procedural law of Pakistan. The venue shall be Karachi.

Clause-16: Site Clearance. On completion of the work, it will be responsibility of the Contractor to remove debris/sludge/garbage/waste material/left over material, machineries, equipment and manpower from the site at their own cost after completion of works/jobs/project. However, clearance will be required from Chief Librarian and Head of Procurement.

Clause -17: Financial Assistance /Advance Payment.

(a) **Mobilization advance** is not allowed.

(b) **Advance Payment:** Advance Payment subject to Bank Guarantee.

Stamp & Signature
