Subject: FW: Item 4: Approval for tender ad & documents of LED TVs

Item # 4 Approval for tender ad & documents of LED TVs

Discussion: Purchase Executive briefed the case and that previous tender was cancelled on user recommendation and retender suggested by user. Committee review the tender documents and suggested that remove 'Chinese version' condition as it is against rule 13 of SPP rules. However, committee suggested to put the specification in checklist tabular format and its mandatory must be filled by the bidder.

Decision: The committee approved the tender ad & documents in IBA & SPPRA website.
