1. Introduction

Dear Tenderer:

Thank you, the interest you have shown in response to the IBA's advertisement which has floated in IBA & SSPRA websites and newspapers on September 4, 2024, to "Hiring Creative & Communication Agency".

The Institute of Business Administration, Karachi (IBA) is the oldest business school outside North America. It was established in 1955 with initial technical support provided by the Wharton School of Finance, University of Pennsylvania. Later, the University of Southern California (USC) set up various facilities at the IBA & several prominent American professors were assigned to the IBA. The course contents, the curriculum, the pedagogical tools & the assessment & testing methods were developed under the guidance of reputed scholars from these two institutions. IBA has zealously guarded the high standards & academic traditions it had inherited from Wharton & USC while adapting and adjusting them over time.

We expect to avail services/works/items of high standards that meet our prime & basic specifications through this transaction.

Please contact Sr. Purchase Executive on 38104700 ext.: 2152 for any information and query
